MISSION STATEMENT

The Lydia Patterson Institute is committed to providing an environment in which Christian faith, values, and knowledge converge to give students a cross-cultural, academic, and state-of-the-art education, by creating opportunities to develop skills to succeed and transform a changing world.

LPI began in 1913 with Mrs. Lydia Patterson, a Methodist laywoman who began to setup schools in the homes of some Mexican Methodist families. Her spirit and vision is still alive today at LPI where young men and women, a majority of whom are from Ciudad Juarez, continue to be educated in a challenging academic environment while being nurtured in Christian values.
